<b>END OF EXAMS</b>			

**Notes**

**Certificate & Diploma Exams are 2 hours**  
**Professional Graduate Diploma are 3 hours**

**Key**

† These examinations are also offered in September 2019

Unfortunately, due to the release date of public/religious holidays in some countries, the BCS has been unable to take account of these dates and apologises for any timetable clashes which may occur. In case of a timetable clash, please follow the guidance below.

**Timetable Clashes**

For the March 2019 examinations we have continued to timetable more than one examination at the same time. Inevitably with this method of timetabling, and the modular nature of the BCS Higher Education Qualifications, one or two candidates may be disappointed. In the event of such a timetable “clash”, please do the following: attempt the examination which is offered twice a year, at the September sitting; attempt the examination which we only offer once a year, at the March sitting.
